Our Story

Every great story begins with a dream.

Before opening Daisy Daycare Center, our founder, Mildred Torres, worked long hours and often overtime in a factory to provide for her family. Although she was grateful to support her two daughters, she realized she was missing many of the special moments of their childhood.

Like many working parents, Mildred enrolled her daughters in daycare while she worked. Unfortunately, she discovered they were not receiving the quality care, attention, and nurturing environment they deserved. That experience opened her eyes to how difficult it could be for families to find a daycare they could truly trust.

Instead of accepting the situation, Mildred decided to create something better.

She dreamed of building a daycare where every child would be treated with love, patience, and respect—a place where children would feel safe, supported, and excited to learn each day. Her goal was simple: to provide the highest quality childcare while giving parents the peace of mind that their children were in caring and capable hands.

That dream became **Daisy Daycare Center**.

Today, our mission remains the same. We are committed to providing a safe, nurturing, and engaging environment where every child can learn, grow, and thrive through play-based learning, meaningful relationships, and individualized care. We believe every child deserves the opportunity to build confidence, develop new skills, and create a strong foundation for lifelong success.

What began as one mother's determination to give her own daughters something better has grown into a trusted childcare center serving families throughout our community. Every smile, milestone, and achievement reminds us why Daisy Daycare Center was created—to provide **the very best care** for every child who walks through our doors.

Our Mission

To provide a safe, nurturing, and inspiring environment where every child feels valued, supported, and encouraged to learn through play while building the confidence and skills they need for a bright future.

Our Vision

To be the childcare center families trust most by providing exceptional early childhood education, fostering meaningful partnerships with parents, and helping every child reach their fullest potential.
